FLATWEAVE KILIMS

KARUN KILIM COLLECTION
Mazandaran Modernist Designs

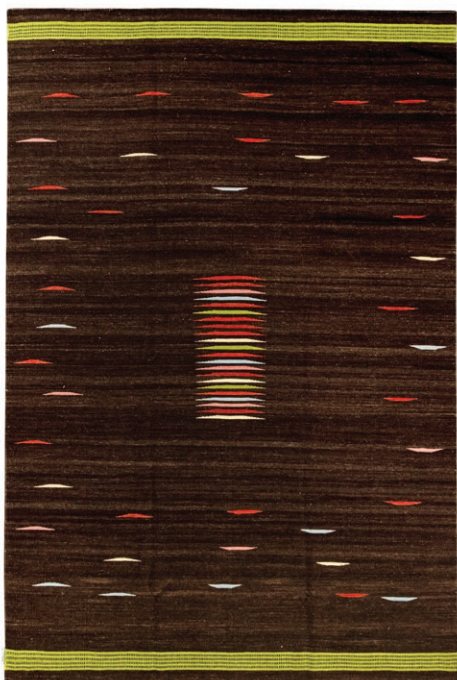

KARUN KILIM

Kilims are a refined expression of tribal minimalism from northern Persia. Traditionally woven in narrow panels and joined with visible seams, these flatweaves are known for their bold stripes, rhythmic repetition, and naturally dyed wool. With their raw beauty and understated geometry. Kilims embody quiet sophistication, a perfect dialogue between heritage and modernity.

The starting price for the 240 × 170 cm size is \$500.
