

KUNDEL

This unique, one-of-a-kind wall hanging tapestry is a modern reinterpretation of the traditional kundel, an antique coat worn by Uzbek noblemen. Crafted from fine silk, hand-woven brocade, and lkat textile, it pays homage to the region's rich cultural heritage. Transforming the noble coat into a silk and wool piece of hanging art adds an unexpected contemporary flair to its historical significance.

GENERATION THREE

Designed by Orient 99

In 2006, Frank Luca and Aida Kawas founded their much-loved 100% conceived, designed and produced Lebanese brand Orient 499. Featuring perfectly imperfect pieces, Orient 499 works with many local artisans from coppersmiths to glassmakers, soap and wood makers to hand embroiderers and skilled couturiers to name but a few. The vision of the brand is to create sustainable luxury by supporting the most splendid craftsmanship in the region.
